The Day I Decided to Become Sunshine

The day I decided to become sunshine
in my own world
everything changed
I decided to shine my little light
into the darkest corners
of my community
I decided to be a light
by holding a door
open for others to come through

And to shine the light
of kindness into my every move
The day I decided to become sunshine
I felt like I could change the world

Warrior

I am a warrior
willing to fight the good fight
Respectfully
with humanity
and lovingly

with all the kindness inside of me
In my own unique way
I am a warrior
willing to fight the good fight
of love

"I love Harry Potter so it was so special looking at all of the JK Rowling books."

"Thank you for the books, I really enjoy reading them."

"I love that we can pick any genre of book and bring it back to school to enjoy. Our class library is full of exciting books for the book shop."

"I love that you can be taken to another world when you can read and take books home for free."

I liked getting a new book

I liked seeing what was in all the books

I like getting different books

I like reading

I like books

I like big books and small books

Being a Foundation Governor in a Catholic School

We have two vacancies for Foundation Governors. For more information follow this link and speak to your parish priest.

Are you looking for a way to live out your faith and serve your local community at the same time?

If so, becoming a Foundation Governor could be just the thing for you.

Foundation Governors play an important part in maintaining and developing the Catholic character of these schools.

Foundation Governors are appointed by the local Bishop specifically to preserve and develop the Catholic ethos of the school and represent the Bishop's education policy (e.g. worship and religious education) to the governing body.

This is why Foundation Governors will always outnumber other governors.

Your local diocese manages the process for the appointment of Foundation Governors and provides support to governing bodies in carrying out their responsibilities.
