

SPORTS FUNDING

The government is providing additional of £150 million each year for 2013-12, 2014-15, 2015-16 and 2016-17 to improve provision of physical education and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in school. Each school receives £8000, plus £5 per pupil on roll.

For 2015-2016 our total grant was £8,800.

View the Gov website for more information:

<https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools>

The playground provision at Holy Cross is inadequate as a place for children to exercise safely, learn key sport skills and play structured games. Governors agreed in 2014 that we would carry balances forward on a 3 year programme to create a fund (supplemented by the school budget) in order to implement the necessary works to create a playground of quality.

Curriculum PE continues to be financed by the school budget.

2016-17

Action	Expenditure	Impact/Proposed Impact
Increase quality opportunities for outdoor activities. Seek professional advice to improve provision for physical activity on the playground.	Remaining balance brought forward	Sports Premium to be rolled forward to create adequate fund for much needed playground refurbishment (3 year programme)
Resources audited and new equipment purchased.	£500	<ul style="list-style-type: none"> • Pupils and staff have access to appropriate good quality equipment to help develop key skills
Introduce pupils to non- regular sporting activities through attendance at I M MARSH Liverpool University	£500	<ul style="list-style-type: none"> • Pupils introduced to non-regular sporting activities in a professional environment • Pupils encouraged to display positive attitudes to learning a new challenging skill • Growth Mindset evidenced through these activities

Physical Education and Sports Funding Impact 2015-2016

Action	Expenditure	Impact/Proposed Impact
Employ St Helens Rugby Coach to work on rolling timetable across school developing rugby skills and a range of multi skills. Delivered during lunch, break and after school club	£3632	<ul style="list-style-type: none"> • Our coach provided much needed support during PE lessons and has enhanced staff competency in teaching key sports skills. • Organised lunchtime games have had a positive impact on general behaviour. Positive lunchtime behaviours cascade in to class time. • Pupil key sport skills developed with a particular emphasis on Rugby • Links with St Helens Rugby formed and many pupils have accessed the ground for cross curricular work
Teaching staff run lunchtime activities. Welfare staff to receive training in playground games (Jenny Mosely)	£250	<ul style="list-style-type: none"> • Transparent pupil enjoyment in physical activity. Pupil learnt team building skills. • Reduction in negative lunchtime behaviour • Pupils enjoyment of traditional/new playground games
Introduce pupils to non- regular sporting activities through attendance at I M MARSH Liverpool University	£500	<ul style="list-style-type: none"> • Pupils introduced to non-regular sporting activities in a professional environment • Pupils encouraged to display positive attitudes to learning a new challenging skill • Growth Mindset evidenced through these activities
Resources audited and new equipment purchased.	£1000	<ul style="list-style-type: none"> • Pupils and staff have access to appropriate good quality equipment to help develop key skills
SHAPES	£200	Annual contribution towards Schools Games Programme. We are working in partnership with other schools across the borough.
Increase quality opportunities for outdoor activities	Balance brought forward	Sports Premium to be rolled forward to create adequate fund for much needed playground refurbishment (3 year programme)
