16.1.17

Dear Parents,

Thank you for your feedback in response to the Parent's Questionnaire and 'Monster Point' surveys which I sent out last term.

The response to the Parent's Questionnaire and all the comments made are attached. One issue which we noted was around After School Activities. A diary of After School activities for the year will be sent home and shared on the website in the next few weeks, to clarify these for you. 100% of parents (who replied), staff and children all responded that 'Monster Points' is a good system which is easy to understand, so this will become a permanent part of our Behaviour System. The red card sticker in children's planners will be replaced by a sticker to inform you when two or more points are lost in one day. Over the next half term, we will consider how we can use this online system to share information about your children's behaviour with you and I will write to you with further details of this.

If you have any comments or questions regarding this, please ask.

Regards,
Mrs Reece (Deputy Head Teacher)
