Dear Parents and Carers,

Children in Key Stage 2 (Years 3-6) may be allowed to walk home unaccompanied by an adult, upon receipt by school of this written parental consent. However, children in Nursery, Reception and Key Stage 1 are expected to be collected by an adult or, by arrangement with the school, a child over 13 years of age. In order to ensure that children leave the school grounds (and school's care) at the end of the day with parental permission, please return this note, which covers the school year 2020-2021.

Children who have a walking home pass will be given permission to leave the school grounds without the need for an accompanying adult, unless you inform the school otherwise.

Thank you for your continued support

Mrs Carol Gillespie

I _____ give permission for my child, named above, to receive a Walking Home Pass from school which will allow them to leave the school premises without the need to be accompanied by an adult. I am aware of the responsibility this will provide my child with, and I am happy in their confidence and road safety awareness skills.
