Times Tables

Practice chanting and writing your 2 x tables. Ask someone to test you. Try to answer more and more quickly. When you get really fast, practice division questions for your 2 x tables e.g. how many twos in 16?

Spelling

Here are your spellings, please write them out in sentences: accident, accidentally, actual, actually, address, answer, appear, arrive, believe, bicycle.

English

Use a marker or crayon to highlight the noun in each sentence.

examples: The barn is red.
I saw three big cows.

1. I see five goats.
2. Do you see the pink pig?
3. The hens are soft.
4. Let's jump in the hay.

Tell whether each noun is a person, place or thing:

That fence needs to be fixed.

The man with the green hat is fixing it.

The egg is about to hatch.

She is out in the field.

We love to visit the farm.
