Parent & Carer Remote Learning Survey

Dear Parent/Carer

You have done another amazing job in the last few weeks - you have juggled so many roles and learned many new skills in the need to support your child's learning at home during the coronavirus pandemic and I thoroughly commend and thank all of you for your efforts.

We are so grateful for your patience, flexibility, and support as we've transitioned to Remote Learning. Last week you gave us valuable and helpful feedback regarding your experience with our Remote Learning program through our parent survey.

It's terrific to see so many positive comments from parents and carers regarding Holy Cross and the results give us much to celebrate. We will also be using the comments and suggestions to further review, develop and improve the Remote Learning program so thank you so much to everyone who took the time to complete it.

We intend to carry out a pupil voice survey this week to get the views and opinions of the children. Keep an eye out for this on Seesaw.

Although our method has changed, our mission remains the same. Our goal is to continue providing children with a quality, Christ-centered education. Your ongoing feedback will help us continue improving the student learning experience!

Thank you for your continued support
