- A. Attendance Monitoring Procedures

As a Catholic school community we believe that we all, governors, staff, parents/carers and students, are - Created in the image of God, Redeemed by Jesus and Empowered by the Holy Spirit. Consequently, we are all worthy of dignity and respect.

As educators we are committed to cooperating with parents/carers in raising the children in our care “to know that they are loved” (St John Bosco, Patron Saint of Youth), valuing themselves and others, and open to be of service to whoever is in need. We will develop their talents within a context of praise, support, affirmation and celebration by presenting ourselves as “ministers of God’s love”, models for imitation and as elder sisters and brothers to each of our children.

All our school policies are to be understood within these convictions.

## Statement of intent

Holy Cross Catholic Primary School recognises the clear link between the attendance and attainment of pupils. The aim of this policy is to encourage the highest possible levels of attendance and punctuality for pupils within Holy Cross to support learning and achievement. The importance of attendance and punctuality is underpinned by an awareness of safeguarding issues. It is important to see our children every day and provide an educationally safe and secure environment.

To gain the greatest benefit from their education it is vital that all pupils attend regularly and on time. Pupils should attend every day that the school is open. We set a target for all pupils to aim for 100% attendance with the expectation all pupils achieve at least 97%. **As a school we define regular attendance as 97% or above.**

We believe that teachers, parents/carers and carers, pupils and all members of our school community have an important contribution in improving attendance and punctuality.

We are committed to:

- Raising the profile of attendance and punctuality amongst the school community
- Maximising the overall percentage of pupil attendance and punctuality.
- Reducing the number of pupils who are persistently absent (90% or below) or severely absent (50% or below)
- Providing support advice and guidance for parents/carers, pupils and staff.
- Intervening early and working with other agencies to ensure the health and safety of our pupils; promoting effective partnerships with the Local Authority, Children’s Services, School Health and other partner agencies.
- Developing clear procedures for the maintenance of accurate registration for pupils.
- Ensuring a systematic approach to gathering, analysing and acting upon attendance data.
- Ensuring there is a proactive whole school approach that embeds a consistency of practice.
- Ensuring parents/carers/carers follow the framework set in section 7 of the Education Act 1996, which states that the parent/carer of every child of compulsory school age shall cause them to receive efficient full-time education suitable to their age, ability and aptitude, and to any SEND they may have, either by regular attendance at school or otherwise.

The school’s attendance Lead is [Miss Davies](#), and can be contacted via [holycross@sthelens.org.uk](mailto:holycross@sthelens.org.uk). Staff, parents/carers and pupils will be expected to contact the attendance lead for queries or concerns about attendance.

### 3. Definitions

The following definitions apply for the purposes of this policy:

**Absence:**

- Arrival at school after the register has closed
- Not attending the registered school for any reason

**Authorised absence:**

- An absence for sickness for which the school has granted leave
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave
- Religious or cultural observances for which the school has granted leave
- An absence due to a family emergency

#### **Unauthorised absence:**

- Parents/carers keeping children off school unnecessarily or without reason
- Truancy before or during the school day
- Absences which have never been properly explained
- Arrival at school after the register has closed
- Absence due to shopping, looking after other children or birthdays
- Absence due to day trips and holidays in term-time which have not been agreed
- Leaving school for no reason during the day

#### **Persistent absence (PA):**

- Missing 10 percent or more of schooling across the year for any reason

#### **Severe absence (SA):**

- Missing 50 percent or more of schooling for any reason.

#### **Missing education**

- Not registered at a school and not receiving suitable education in a setting other than a school

#### **Not in Receipt of Full-time Education (NIROFTE):**

- Pupils who are on-roll at a school but for differing reasons agreed by the school and parent/carer, attend less than the 100 percent of the expected timetable.

### **4. Attendance expectations**

The school has high expectations for pupils' attendance and punctuality, and ensures that these expectations are communicated regularly to parents/carers and pupils.

Pupils will be expected to attend school punctually every day they are required to be at school, for the full day.

The school day starts at **8.55am**, and pupils will be in their classroom, ready to begin lessons at this time; therefore, pupils will be expected to be on the school site by **8:45am**.

Registers will be taken as follows throughout the school day:

- The morning register will be marked by **9:00am**. Pupils will receive a late mark if they are not in their classroom by this time. Pupils attending after this time will receive a mark to show that they were on site, but this will count as a late mark
- The morning register will close at **9:30am**. Pupils will receive a mark of absence if they do not attend school before this time
- The afternoon register will be marked by **1:00pm**. Pupils will receive a late mark if they are not in their classroom by this time
- The afternoon register will close at **1:10pm**. Pupils will receive a mark of absence if they are not present

Pupils will be encouraged to communicate any concerns related to attendance and absence as soon as possible to the relevant member of staff.

## 5. Absence procedures

Parents/carers will be required to contact the school office via telephone before **9:00am** on the first day of their child's absence – they will be expected to provide an explanation for the absence and an estimation of how long the absence will last, e.g. one school day.

Where a pupil is absent, and their parent has not contacted the school to report the absence, administrative staff will contact the parent by telephone call as soon as is practicable on the first day that they do not attend school.

The school will always follow up any absences in order to:

- Ascertain the reason for the absence.
- Ensure the proper safeguarding action is being taken.
- Identify whether the absence is authorised or not.
- Identify the correct code to use to enter the data onto the school census system.

Where a pupil is absent for more than three school days in a row, a home visit may take place if there is a cause for concern by school staff. The school will not request medical evidence in most circumstances where a pupil is absent due to illness; however, the school reserves the right to request supporting evidence where there is genuine and reasonable doubt about the authenticity of the illness or the when the pupil has attendance below 90%.

The school will inform the Local Authority of the details of pupils who fail to attend regularly, or who have missed 10 school days or more without authorisation. Any pupil who is missing education without an explanation for 10 consecutive days will be issued with a fixed penalty notice warning. Parents/carers (both resident and non-resident) will be informed that their child's attendance will be monitored for 15 days: it is expected that their child attends each day during this period. If parents/carers (both resident and non-resident) fail to ensure the child/ren attend during this monitoring period, both parents/carers will be issued with a fixed penalty.

School may decide to make a child protection referral if it is felt that parents/carers are failing to safeguard their child.

A Child Missing Education (CME) referral will need to be issued if contact can't be made with a parent and the whereabouts of the child is unknown.

If a pupil's attendance drops below **90% percent**, the attendance lead and headteacher will arrange a formal meeting with of the pupil's parents/carers/carers, including parents/carers with whom the child does not reside.

Where a pupil has not returned to school for 10 days after an authorised absence, or is absent from school without authorisation for 20 consecutive school days, the school will remove the pupil from the admissions register if the school and the LA have failed to establish the whereabouts of the pupil after making reasonable enquiries.

## 6. Attendance register

The school uses Capita SIMS management information system to keep attendance registers to ensure they are as accurate as possible and can be easily analysed and shared with the appropriate authorities.

Designated staff members will take the attendance register at the start of each school day and at the start of the afternoon session. This register will record whether pupils are:

- Present.
- Absent.
- Attending an approved educational visit.
- Unable to attend due to exceptional circumstances.

The school will use the national attendance codes to ensure attendance and absence are monitored and recorded in a consistent way. The following codes will be used:

- # = planned whole or partial school closure
- / = Present in the morning
- \ = Present in the afternoon
- L = Late arrival before the register has closed
- C = Leave of absence granted by the school
- E = Excluded but no alternative provision made
- H = Authorised holiday
- I = Illness
- M = Medical or dental appointments
- R = Religious observance
- B = Off-site education activity
- G = Unauthorised holiday
- O = Unauthorised absence
- U = Arrived after registration closed
- N = Reason not yet provided
- X = Not required to be in school
- T = Traveller absence
- V = Educational visit or trip
- P = Participating in a supervised sporting activity
- D = Dual registered – at another educational establishment
- Y = Exceptional circumstances
- Z = Pupil not on admission register

When the school has planned in advance to be fully or partially closed, the code ‘#’ will be used for the relevant pupils who are absent. This code will also be used to record year groups who are not due to attend because the school has set different term dates for different years, e.g. induction days.

Pupils who are absent from school but are receiving remote education for any reason will be marked as absent in the register.

All amendments made to the attendance register will include the original entry, the amended entry, the reason for the amendment, the date of amendment and the name and role of the person who made the amendment.

## **7. Authorising parental absence requests**

Parents/carers will be required to request certain types of absence in advance. All requests for absence will be handled by the headteacher – the decision to grant or refuse the request will be at the sole discretion of the headteacher, taking the best interests of the pupil and the impact on the pupil’s education into account. The headteacher’s decision

is not subject to appeal; however, the school will be sympathetic to requests for absence by parents/carers, and will not deny any request without good reason.

### **Leave of absence**

The school will only grant a pupil a leave of absence in exceptional circumstances. In order to have requests for a leave of absence considered, the school will expect parents/carers to contact the headteacher in writing at least two weeks prior to the proposed start date of the leave of absence, providing the reason for the proposed absence and the dates during which the absence would be expected to occur.

Any requests for leave during term time will be considered on an individual basis and the pupil's previous attendance record will be taken into account. Where the absence is granted, the headteacher will determine the length of time that the pupil can be away from school. The school will not grant leave of absence for the purposes of family holidays.

If term-time leave is not granted, taking a pupil out of school will be recorded as an unauthorised absence and may result in sanctions, such as a penalty notice. The school cannot grant leaves of absence retrospectively; therefore, any absences that were not approved by the school in advance will be marked as unauthorised.

### **Illness and healthcare appointments**

Parents/carers will be expected to make medical or dental appointments outside of school hours wherever possible. Where this is not possible, parents/carers will be expected to obtain approval for their child's absence to attend such appointments as far in advance as is practicable. Parents/carers will be responsible for ensuring their child misses only the amount of time necessary to attend the appointment. Parents/carers will be asked to provide proof of any medical appointment during school time.

### **Religious observance**

Parents/carers will be expected to request absence for religious observance at least two weeks advance.

The school will only accept requests from parents/carers for absence on grounds of religious observance for days that are exclusively set apart for religious observance by the relevant religious body. The school will define this as a day where the pupil's parents/carers would be expected by an established religious body to stay away from their employment to mark the occasion.

The school may seek advice from the religious body in question where there is doubt over the request.

### **Gypsy, Roma and Traveller absence**

Where a pupil's parent belongs to a community covered by this code and is travelling for occupational purposes, the parent will be expected to request a leave of absence for their child at least two weeks in advance. Absences will not be granted for pupils from these communities under this code for reasons other than travel for occupational purposes.

## **8. SEND- and health-related absences**

The school recognises that pupils with SEND and/or health conditions, including mental health issues, may face greater barriers to attendance than their peers, and will incorporate robust procedures to support pupils who find attending school difficult.

In line with the SEND Policy and Supporting Pupils with Medical Conditions Policy, the school will ensure that reasonable adjustments are made for disabled pupils to reduce barriers to attendance, in line with any EHC plans or IHPs that have been implemented. The school will secure additional support from external partners to help bolster attendance where appropriate.

Where the school has concerns that a pupil's non-attendance may be related to mental health issues, parents/carers will be contacted to discuss the issue and whether there are any contributory factors to their child's lack of attendance.

Where staff have a mental health concern about a pupil that is also a safeguarding concern, they will inform the DSL and the Child Protection and Safeguarding Policy will be followed. All pupils will be supported with their mental health in accordance with the school's Social, Emotional and Mental Health (SEMH) Policy.

If a pupil is unable to attend school for long periods of time due to their health, the school will:

- Inform the LA if a pupil is likely to be away from the school for more than 15 school days.
- Provide the LA with information about the pupil's needs, capabilities and programme of work.
- Help the pupil reintegrate at school when they return.
- Make sure the pupil is kept informed about school events and clubs.
- Encourage the pupil to stay in contact with other pupils during their absence.

The school will incorporate an action plan to help any pupils with SEND and/or health issues cope with the stress and anxiety that attending school may cause them. Such plans will be regularly monitored and reviewed until the pupil is attending school as normal and there has been signs of significant improvement.

To support the attendance of pupils with SEND and/or health issues, the school will consider:

- Holding termly meetings to evaluate any implemented reasonable adjustments.
- Incorporating a pastoral support plan.
- Carrying out strengths and difficulties questionnaire.
- Identifying pupils' unmet needs through the Common Assessment Framework.
- Enabling a pupil to have a reduced timetable.
- Ensuring a pupil can have somewhere quiet to spend lunch and breaktimes.
- Implementing a system whereby pupils can request to leave a classroom if they feel they need time out.
- Temporary late starts or early finishes.
- Phased returns to school where there has been a long absence.
- Tailored support to meet their individual needs.

## **9. Leave during lunch times**

Parents/carers may be permitted to take their child away from the school premises during lunch times with permission from the headteacher – it is at the headteacher's discretion as to whether a pupil will be allowed to leave the premises.

Parents/carers will submit a written request, outlining the reasons for their child to leave the premises during lunch time – this request will be submitted to the headteacher. The headteacher will consider the request and will invite the parent into the school for a discussion regarding any concerns, as well as the timely return of their child at the

end of lunch time and their child's behaviour when not on the school premises. The headteacher reserves the right to grant or refuse a request and will inform the parent in writing of their decision within two weeks of the request.

Parents/carers will be required to meet their child at the school office when taking them off the premises – the pupil will be signed out and back in using the lunch time register at the school office. A member of admin staff will be available at the school office before the pupil leaves the premises and upon their return to sign them back in. No pupil will leave the premises before the member of staff at the school office has given their permission.

The headteacher reserves the right to withdraw their permission at any time – this may occur, for example, where there are attendance concerns. Any decision to withdraw permission will be in writing, explaining the reasons for the headteacher's decision. If permission is withdrawn, parents/carers will not be entitled to appeal the decision.

Parents/carers will be able to withdraw their request at any time – the request will be submitted in writing to the headteacher.

Permission will be updated on a termly basis – letters will be sent to parents/carers at the beginning of each term to confirm whether they would like their request to continue.

## **10. Truancy**

Truancy will be considered as any absence of part, or all, of one or more days from school, during which the school has not been notified of the cause behind such absence.

All staff will be actively engaged in supporting the regular attendance of pupils, and understand the importance of continuity in each pupil's learning.

All pupils are expected to be in their classes by **8.55am** and **1:00pm**, where the teacher will record the attendance electronically. Any pupil with permission to leave the school during the day must sign out at the school office and sign back in again on their return.

Immediate action will be taken when there are any concerns that a pupil might be truanting. If truancy is suspected, the headteacher is notified, and they will contact the parent in order to assess the reasons behind the pupil not attending school.

The following procedures will be taken in the event of a truancy:

- In the first instance, a letter of warning will be sent to the parents/carers of the pupil, informing them of the truancy and stating that any future occurrences could result in further action being taken.
- If any further truancy occurs, then the school will consider issuing a penalty notice.
- A penalty notice will be issued where there is overt truancy, inappropriate parentally-condoned absence, excessive holidays in term-time and persistent late arrival at school.

The DSL will be involved where an instance of truancy may be linked to a safeguarding concern. Any safeguarding concerns will be dealt with in line with the Child Protection and Safeguarding Policy.

## **11. Absent pupils**

Pupils will not be permitted to leave the school premises during the school day unless they have permission from the school. The following procedures will be taken in the event of a pupil going missing whilst at school:

- The member of staff who has noticed the absent pupil will inform the headteacher immediately

- The office staff will also be informed as they will act as a point of contact for receiving information regarding the search
- A member of staff will stay with the rest of the class, and all other available members of staff will conduct a thorough search of the school premises as directed by the headteacher
- The following areas will be systematically searched:
  - All classrooms
  - All toilets
  - Meeting rooms/offices
  - The library
  - Un-used classrooms
  - Stairwells
  - Any outbuildings
  - The school grounds
- Available staff will begin a search of the area immediately outside of the school premises, and will take a mobile phone with them so they can be contacted.
- If the pupil has not been found after **10 minutes**, then the parents/carers of the pupil will be notified
- The school will attempt to contact parents/carers using the emergency contact numbers provided
- If the parents/carers have had no contact from the pupil, and the emergency contacts list has been exhausted, the police will be contacted.
- The absent pupil's teacher will fill in an incident form, describing all circumstances leading up to the pupil going missing
- If the absent pupil has an allocated social worker, is a looked-after child, or has any SEND, then the appropriate personnel will be informed
- When the pupil has been located, members of staff will care for and talk to the pupil to ensure they are safe and well
- Parents/carers and any other agencies will be informed immediately when the pupil has been located

The headteacher will take the appropriate action to ensure that pupils understand they must not leave the premises, and sanctions will be issued if deemed necessary. Appropriate disciplinary procedures will be followed in accordance with the Behaviour Policy.

The headteacher will carry out a full investigation and will draw a conclusion as to how the incident occurred. A written report will be produced, and policies and procedures will be reviewed in accordance with the outcome where necessary.

## 12. Attendance intervention

In order to ensure the school has effective procedures for managing absence, the attendance lead, supported by the SLT, will:

- Establish a range of evidence-based interventions to address barriers to attendance.
- Monitor the implementation and quality of escalation procedures and seek robust evidence of the escalation procedures that work.
- Attend or lead attendance reviews in line with escalation procedures.
- Establish robust escalation procedures which will be initiated before absence becomes a problem by:
  - Sending letters to parents/carers.
  - Engaging with LA attendance teams.
  - Using fixed penalty notices.

- Creating attendance support plans

The school will use attendance data, in line with the 'Monitoring and analysing absence' section of this policy, to develop specific strategies to improve attendance where patterns of absence are emerging. These strategies will be developed on a case-by-case basis, and will consider the particular needs of the pupils whom the intervention is designed to target.

The school will acknowledge outstanding attendance and punctuality through rewards and certificates.

### **13. Working with parents/carers to improve attendance**

The school will work to cultivate strong, respectful relationships with parents/carers and families to ensure their trust and engagement. Open and honest communication will be maintained with pupils and their families about the expectations of school life, attendance and performance so that they understand what to expect and what is expected of them. The school will liaise with other agencies working with pupils and their families to support attendance, e.g. social services.

The school will ensure that there are a minimum of **two** sets of emergency contact details for each pupil wherever possible to ensure the school has additional options for getting in touch with adults responsible for a pupil where the pupil is absent without notification or authorisation.

The school will ensure that parents/carers are aware of their legal duty to ensure that their child attends school regularly and to facilitate their child's legal right to a full-time education – parents/carers will be made aware that this means their child must attend school every day that it is open, save for in certain circumstances, e.g. sickness or absences that have been authorised by the headteacher in advance. The school will regularly inform parents/carers about their child's levels of attendance, absence and punctuality, and will ensure that parents/carers are aware of the benefits that regular attendance at school can have for their child educationally, socially and developmentally.

If a pattern of absence becomes problematic, the attendance lead will work collaboratively with the pupil and their parents/carers to improve attendance by addressing the specific barriers that prevent the pupil from being able to attend school regularly. The school will always take into consideration the sensitivity of some of the reasons for pupil absence and will approach families to offer support rather than immediately reach for punitive approaches.

Where these barriers are related to the pupil's experience in school, e.g. bullying, the attendance lead will work with the headteacher and any relevant school staff, e.g. the DSL and SENCO, to address this. Where the barriers are outside of the school's control, e.g. they are related to issues within the pupil's family, the attendance lead will liaise with any relevant external agencies or authorities, e.g. children's social care or the LA, and will encourage parents/carers to access support that they may need.

### **14. Persistent absence (PA)**

There are various groups of pupils who may be vulnerable to high absence and PA, such as:

- Children in need
- LAC
- Young carers
- Pupils who are eligible for FSM
- Pupils with EAL
- Pupils with SEND
- Pupils who have faced bullying and/or discrimination

The school will use a number of methods to help support pupils at risk of PA to attend school. These include:

- Offering catch-up support to build confidence and bridge gaps.
- Meeting with pupils to discuss patterns of absence, barriers to attendance, and any other problems they may be having.
- Establishing plans to remove barriers and provide additional support.
- Leading weekly check-ins to review progress and the impact of support.
- Making regular contact with families to discuss progress.
- Considering what support for re-engagement might be needed, including for vulnerable groups.

The school will focus particularly on pupils who have rates of absence over 50 percent, and will work with the LA and other partners to engage all relevant services needed to identify and address the wider barriers to attendance these pupils are facing.

Where a pupil at risk of PA is also at increased risk of harm, the school will work in conjunction with all relevant authorities, e.g. social services, to support the pupil in line with the school's duty of care. The school will also bear in mind that the continuation of severe PA following intervention may, in itself, constitute neglect, and will escalate any concerns in this regard in line with the Child Protection and Safeguarding Policy.

## **15. Legal intervention**

The school will allow sufficient time for attendance interventions and engagement strategies to improve pupils' attendance; however, where engagement strategies to improve attendance have not had the desired effect after one term, the attendance lead will consider:

- Holding a formal meeting with parents and the school's point of contact in the Educational Welfare Team.
- Working with the LA to put a parenting contract or an education supervision order in place.
- Engaging children's social care where there are safeguarding concerns.

Where the above measures are not effective, the headteacher will issue a fixed penalty notice in line with the LA's code of conduct.

Where attendance still does not improve following a fixed penalty notice, the school will work with the LA to take forward attendance prosecution as a last resort.

## **16. Monitoring and analysing absence**

The attendance lead will monitor and analyse attendance data regularly to ensure that intervention is delivered quickly to address habitual absence at the first signs.

The school will collect data regarding punctuality, truancy, and authorised and unauthorised absence, for:

- The school cohort as a whole.
- Individual year groups.
- Individual pupils.
- Demographic groups, e.g. pupils from different ethnic groups or economic backgrounds.
- Other groups of pupils, e.g. pupils with SEND, LAC and pupils eligible for FSM.
- Pupils at risk of PA.

The attendance lead will conduct a thorough analysis of the above data on a half-termly, termly and full-year basis to identify patterns and trends. This will include identifying, for each group:

- Patterns in uses of certain codes.
- Particular days of poor attendance.
- Historic trends of attendance and absence.
- Barriers to attendance.

The attendance lead will provide regular reports to staff across the school to enable them to track the attendance of pupils and to implement attendance procedures. The attendance lead will also be responsible for monitoring how attendance data changes in response to any interventions implemented to increase attendance in future.

The governing body will regularly review attendance data, including examinations of recent and historic trends, and will support the SLT in setting goals and prioritising areas of focus for attendance support based on this data.

The school will also benchmark its attendance data against local-, regional- and national-level data to identify areas of success and areas for improvement, and will share practice which has been shown to be effective with other schools.

## **17. Training of staff**

The school will recognise that early intervention can prevent poor attendance. As such, staff will receive training in identifying potentially at-risk pupils as part of their induction and refresher training.

The governing board will ensure that teachers and support staff receive training in line with this policy as part of their induction. Following this initial training, staff will receive regular and ongoing training as part of their development.

Training will cover at least the following:

- The importance of good attendance
- That absence is almost invariably a result of wider circumstances
- The legal requirements on schools, e.g. the keeping of registers
- The school's strategies and procedures for monitoring and improving attendance
- The school's procedures for multi-agency working to provide intensive support for pupils who need it

The governing board will provide dedicated and enhanced attendance training to the attendance officer and other staff with specific attendance functions in their role – this will include training regarding interpreting and analysing attendance data and supporting pupils to overcome barriers to attendance.

Staff will receive training to ensure they understand that increased absence from school could indicate a safeguarding concern, and know how such concerns should be managed.

## **18. Monitoring and review**

Attendance and punctuality will be monitored throughout the year. The school's attendance target is 97 percent – full details of the school's absence levels can be found on the school website.

This policy will be reviewed bi-annually by the headteacher. The next scheduled review date for this policy is September 2025.

Any changes made to this policy will be communicated to all relevant stakeholders.
